

20th Annual NYSAWA Conference!

Leadership for the 21st Century: The Promise of Tomorrow

Save the Date!
March 14-15, 2010

Desmond Hotel, Albany

An excellent caliber of programs is being planned with a few surprises to help us kick off our next 20 years. The conference, "**Leadership for the 21st Century: The Promise of Tomorrow**" has invited outstanding speakers and women leaders who have impacted education in New York State and internationally.

The conference will focus on the implications of the **promise of tomorrow for educational leaders, staff, and students in NYS**, including the major role and impact that **technology** currently and will play, and how we, as leaders, can prepare and implement it successfully in our personal and professional worlds. State-of-the-art technology and applications will be shared.

As part of the 20th anniversary celebration, space will be available for local affiliates to share their own history. Start planning now, and as you collect, send some photos (with captions) to Suzanne Gilmour at the address below or email to Suzanne.gilmour@oswego.edu, who is working on an historical representation of our collective accomplishments.
